“ *To the family of Cathy Danner, I would like to tell you she Confirmed me when I was 14 at St Annes Catholic Church. She was a family friend to my step parents but was more to me than she realized. She kept me grounded gave me advice filled my head about staying in school. I regret not keeping in touch with her after I moved out of state. I love you Cathy thank you for being there for me when I was very young and needed someone. Prayers to all your family you will stay in my heart forever I think of you often...*
