

Cecelia Bernice Trujillo

March 11, 1942 - September 29, 2024

It is with deep sorrow that we announce the passing of Cecelia Bernice Trujillo, aged 82, who died peacefully on September 29th, 2024. She was born in Augusta, Colorado, on March 11th, 1942. Bernice Trujillo was an eclectic woman with many talents and is remembered fondly by those she left behind. She graduated from USC with a degree in nursing, which she practiced for over 35 years, always carrying the responsibility of caring for others close to her heart. She was a mother, grandmother, and an incredible woman. Many remember her for her kindness and resilience. Though she faced a hard life, she made it ultimately fulfilling. She practiced Tai Chi, enjoyed puzzles and carpentry, and had a deep interest in metaphysical knowledge. She is survived and lovingly remembered by her daughters Barbara (Jim) Lucero, Joyce (Aaron) Trujillo, and Michelle Montoya, as well as her grandchildren Renee (Willie) Lucero, Chris (Natassia) Lucero, Brandon Trujillo, Jaqueline (Jeff) Santos, Summer Charboneau, Amaya Charboneau, Nico Montoya, and Mariposa Charboneau Lopez. In her next transition, she will be greeted by her son Leroy Trujillo her grandmother Dora Lucero, her aunt Nellie, uncle Frank Cardenas and her daughter Robin Dobrinski-Rios. Learning was one of her greatest joys in life, and she believed that knowledge is the key to opening every door. With that in mind, we believe that, rather than living in a state of grief, she would want us to learn from her passing how to live, love, and hold each other close. One of her favorite quotes was "Pay more attention to what comes out of your mouth than what goes in." No Services.
