“ *Our Father, Who art in heaven, hallowed be Thy name; Thy kingdom come; Thy will be done on earth as it is in heaven. Give us this day our daily bread; and forgive us our trespasses as we forgive those who trespass against us; and lead us not into temptation, but deliver us from evil. Hail Mary, full of grace.*

“ Sending my condolences to the Wilson Family. Dale was a good friend and always willing to help anyone in need with no questions asked. We had some great times in our younger years and would party till the sun came up, he would usually keep going (LOL). Camping with him was some of my fondest memories, Ill never forget the time he had to rescue me from the middle of carter lake and I couldn't get back on the boat, he literally jumped off the boat to help me get back on the boat. Getting locked out of the house, him & Danny to the rescue (they were next door). I remember him loving his children & step children with every ounce of his being. Dale was old soul and loyalty was unmatched by none. He was plain out good people and I'm sure nothing changed in his later years. I'm saddened his life was shorted by this ugly illness and I never had a chance to say goodbye but I'm glad he is no longer in pain. RIP homie visit us in our dreams, cheers!

“ I am very sorry to hear of Charlie's passing. I grew up knowing Charlie and his family, he was a great friend and the best Catcher I ever played with or seen. As in life he guarded the plate like the family and friends around him. With courage and determination. RIP Charlie

I’m Looking For A Job & All That Keeps Coming To My Head Is You Making A Bet With Justin On How Long You Think I’m Going To Last There Lol. I Don’t Know Who won That Bet. You Were Always There When Ever Anyone Needed You, Even When You Were Sick You Still Were Always There. Thank You Dad For Everything You Have Done For Everything You Have Taught Me & Most Of All For Always Being There. I’m Going To Miss You So Much But I Know We Will Be Together Again.
