“ My deepest condolences to Sarah on the loss of your sister, and to your mother Virginia and the rest of the family. When you met Tina, you had a friend for life. Whenever I ran into her, she had that big smile and her laugh. She loved life no matter what came her way. Now she shares her smile with those in heaven. Until we see you again dear friend.

“ My Condolences to Tina's family. I have known Tina for 52 years when I first moved to Pueblo. I worked with Virginia, Sarah and then Tina. We hit it off and kept in touch off an on during those 52 years. The last 10 or 15 years we would run into each other and we would get together for supper and she always like to go driving all over town or go to E 8th street Dairy Queen for an ice cream. I even went with her and her mother to New Mexico to a relative's funeral. We went to Colorado Springs, Colorado City and of course Cripple Creek. I will surely miss My friend Tina, RIP and hope you are enjoying being with your family in heaven, Maybe one day we will connect once again. You will always be in my thoughts. Love you always Freda.

To Michelle and all the family: I am so sorry for your loss. We can all rejoice in the fact that we will meet again "just inside the Eastern Gate" as the words to the hymn go. But don't wait until then. She has not left you; she has just shed her physical body and is with you in spirit. Ask her to show you ways in which she will communicate with you from her new place of freedom and joy. She has already started vacuuming the streets of gold - thought thy weren't clean enough for her!!!!
