“ *To my Good Commandant,*

Your demise doth saddens and cuts me rootly, as a vine not ready for its grafting. I pray thee hath past the great beyond with nothing but grace and the dignity a Navel Medical Officer deserves. I wish thee well and I will reminisce upon the days spent within thy good presence. Be at peace my friend for thine is the kingdom and the come. Fare thee well my good sir!

*Respectfully,
Inspector Pape*
