“ I’m so sad to hear about Chris passing. We just recently text each other cause he was on my mind.. He express he was dealing with some health issues in the last year and months but was still pressing on.. 😞😞 Didn't know that would be the last text from Him.. I met Chris's at Walmart when he delivered out shipments from McKesson.. He was always so polite, fun and always joking with me! He knew how to bring me out of a bad mood when the day was going left by saying or doing something funny.. We talked about everything and overall he was just a great friend and guy!! After leaving Walmart we continued to stay in touch here and there!! I always thought about him when I drive by Walmart or around the area he told me he lived!! He will be dearly missed !! But Im glad he's no longer suffering .RIP my FRIEND 😞👍

“ My sincere condolences to the family of Chris. He delivered orders from McKesson to my pharmacy (COUNTY PHARMACY) for many years. .He was always upbeat and cordial even when Albertsons made him enter in the back of the store and come all the way through to the front. . If I had time, I always enjoyed chatting with him for a few minutes. He was a genuine and hard working person who was well liked by all my staff too..  
May he rest in peace.

“ I have so many childhood memories of our little family and your little family spending the weekends together. I'll cherish those forever even the ones of you yelling at us for doing something stupid (like breaking your new picnic table). I love you Uncle Chris and will forever miss you but I know you're somewhere fishing with my dad and grandpa. 🧡
