“ *Caitlin and family, this note is from Rita Romero in Sapello, NM. I doubt that you remember me, but I drive by your shop every day when I go to dialysis. One day I mentioned that your sign was down and my driver told me that Christopher has been killed. I called Ruben to verify that it was true. I am so sorry for your horrific loss. Especially with 3 children to raise. I lost my husband in a tragic accident and you never get over it. I wish you the best, and your children get over this. Best wishes and my deepest sympathy during this tragic time.*
