

Cicilia Beverly Gallegos

March 7, 1950 - October 20, 2023

Cicilia Gallegos (Medina), 73, of Pueblo, CO was born in 1950 to Jose Elfido “Golden” Medina and Margie Medina in Alamosa, Colorado. She was raised in “El Rito” Colorado, and graduated from Centennial High School in San Luis, CO. She married Marvin Gallegos in 1970, when they began their family. Being a military wife, her family lived in a few different locations before they eventually settled in Pueblo, CO. She then started college and graduated with a Bachelor’s Degree in Education. After graduation, she taught migrant children and became a substitute teacher for many years. After teaching, she became a data file clerk for Steel City Agencies and remained there until her retirement. She was fortunate enough to travel to many destinations, including US states and countries around the world. Her favorite activities included traveling to new and exciting places, doing crossword puzzles, playing trivia games, singing, dancing, and above all, spending time and making memories with loved ones. Cicilia was loved by her children, grandchildren, great-grandchildren, many other family members and a lifetime of friends. Her memory will live on by those who remember her powerful attitude, brave and selfless heart, and infectious laugh. Her family, and those she was a second mother to, will dearly miss their “Momma Seal”.

“ *Cicilia was my lifetime friend. We grew up together. I was raised across the road from her. Together we made mud pies, played with paper dolls, played baseball, kick the can and raced across cattle guards. Later in life we shared memories, stories and pictures of our children. We shared tears, we laughed and most important we prayed together. Con gran tristeza en ml corazon. Adios MI Amiga. Rest in my Jesus' arms. Josie (Medina) Maestas*
