“ My condolences to Anita, Denise and Kris. As you already know, Clem had a heart of gold. I'll forever remember how Clem used to visit my dad to help relieve my mom (Clem's cousin) during his health challenge. His care and concern for my parents showed through his phone calls and visits. It meant a lot to me and my family that he was there trying to help them. Clem was God's Angel in earth. May he rest in heaven. Your cousins Janelle Rodriguez Snyder, John Rodriguez , Jeff Rodriguez and Julie Roybal

“ Rest in Peace My Dear Cousin. I have so, so many wonderful and fond memories of my cuz Clem, as he used to call us. Our families were very close as I remember well when I was in grade school through my adulthood until my aunt and uncle went to Heaven. I remember we would spend summers with the Aragons for years. Clem and his brothers were in the military. I always would love to see Clem in his Marine uniform when he was on leave. Thought he was the most handsome guy ever. He was funny and did crazy funny things at times, like when he hung his nephew Leon Jr. on a nail on the wall. He looked like a little doll. He wasn't there long, though. I got the pleasure of attending his and Anitas wedding, which was one of the biggest and most fun weddings ever. I watched Clem and his brothers play fast pitch for Pepsi and other teams for CF&I. Clem was indeed a great ball player as well as a great cuz! Been a while since I saw Clem, but he'll always be in my heart and prayers. To Anita and family, Our Prayers and Deepest Sympathy for the loss of a wonderful human being. Thank you for sharing Clem with us. With Love, Your Cuz Inez Linan and Families.

“ Clem and his brother Frank were my classmates beginning at Edison Grade school In many ways, it seems like a short time ago, however, we probably met in the 1943 time frame. Clem served in the Marine Corp and I served in the U.S. Air Force. We were honorably discharged in the 1958-1959 timeframe, which now seems like a life-time ago.....and it is!!! We hung around together in Pueblo after our military service and later occasionally saw each other at sporting events .In 1976 my family and I relocated to Arvada, CO. and as life happens, with its many twists and turns (some good..some bad), Clem and I didn't see each other quite as often. I will always consider Clem "Chots" a good friend and always inquired about him when i visited my family members who still live in Pueblo. My family and I extend our deepest condolences to Anita, her family and friends.
