

## Connie Nadine Espinoza

July 31, 1943 - February 21, 2019

Connie Espinoza received her angel wings on February 21, 2019, departing from Pueblo, Colorado where she resided most of her life. She was born on July 31, 1943 in Wichita, Kansas. She was preceded in death by her father, Harvey Henderson; mother, Melba McDonnell; step father, Steve McDonnell; papa, Johnny; grandma, Gill; sister, Vicki McDonnell; brother-in-law, Ruben Santistevan; sister-in-law, Viola Montez; and she is now reunited with her best friends, "The Golden Girls" Vicki Wormington and Jodie Aguilar. Connie is survived by her children, Ken (Loretta) Espinoza, Lisa (John Montoya) Espinoza, Lori (Curt Yeager) Espinoza, Mike (Monica) Espinoza, Jesse (Doreen) Espinoza and Ted "Spooks" Espinoza; 21 grandchildren; 31 great grandchildren; brother, Terry (Melinda) McDonnell; sister, Lindy McMillan; sister-in-law, Nora Santistevan; son-in-law, Guy Cassavant; numerous nieces, nephews, extended family and friends. Connie received a GED and later returned to school to receive an Associate Degree from PCC. She also worked at Parkview Medical Center as PBX Operator and worked as a security guard. She enjoyed sewing, taking in nature by sharing family road trips, picnicking in the mountains and exploring the trails of the nature center, socializing, late night cups of coffee, and best of all offering a hug to anyone who ever got the pleasure to meet her and encourage us to find our "happy thoughts." She also had a great appreciation of the King, Elvis. When she walked into a room, she would flash her smile and show everyone how much she loved them. She made sure that she always had her angels around and

made it a point to share all her gold and silver angels so we all can be reassured that our angels are always around to guard and protect us. Heaven has received one of the greatest angels of all and we are all grateful that she will always be watching over us.
