“ Happy mother's day in heaven m♥m
Miss you so very much this has been the
hardest years of my life without you here with
us never got to tell you I'm sorry or goodbye
and thank you for all you done for our family
you work so hard for us I took you for granted I
don't know why I let him win and destroy my family now nothing can
stop this I wish I was a good mom like you was for us no more tears
no more pain no hate of any kind you are at peace and free I can
still hear your voice and I know when I see you again you going to
beat me ass I love with all my heart you stay close to our hearts
miss you so much no words could explain
You always stand up for me you fight for me you never let anyone
hurt us why couldn't I do the same I guess we will never know
