“*Ted and Family, My mother Dora Salas was your mother's little sister and good friend. Anytime we talked we shared memories of the China Lantern. Years back your Dad used to tell me the reason you grew up so big and strong was because of the Borrega meat you ate growing up. Your mother is a great person who made a huge impact upon my mother and myself. I miss her too. Connie wrote a letter a few years back explaining why she could not be at my mother's funeral. She always took time to explain things. She is an Angel and I'm sure is already talking to my mother in Heaven. God Bless you and your family. My prayers are for your family and mother. God Bless you all, Larry W. Salas*
