“ I hadn't talked to my friend in months. Which wasn't out of the normal for her as some of us know lol

*I didn't find out until today that she was gone. I feel like a piece of myself is lost now... she was a big part of my life. Albeit we weren't there consistently, we both knew we could count on each other for an ear and friendly words. She was one of the most supportive people I had ever met! She was AMAZING!!! Neither of us ever judged each other and never had a bad thing to say towards each other. She will be greatly missed and forever in my heart and thoughts!*

*I'll see you someday... Friend... 🥺💔*
