

Daniel Lee Diaz

December 17, 2021

Daniel Lee Diaz, 60, affectionately known as Danny, passed away unexpectedly on Friday, December 17, 2021, surrounded by loved ones. Danny was born November 2, 1961, and raised in Pueblo, CO. He is preceded in death by his father David Diaz, his beloved mother Viola Diaz, brother David Diaz. Danny is survived by his sons Aaron (Chris) Diaz-Rose and Gino Diaz of Pueblo, and sister Angelina (Chris) Gallegos, favorite niece Mariah Gallegos of Seattle. As well as his girlfriend Renee Gonzales, stepfather Bengt Fries, and mother of his children Esther Gutierrez, and the Garduño family. In addition, his two grandsons Brayden and Gavin who were his pride and joy. Danny was blessed to have numerous nieces, nephews, and many friends including the Los Hermanos and other biker brothers. Finally, his beautiful aunties, Maxine, Marie, & Shirley. Danny loved working on vehicles of all kinds, and he was fortunate to work for Ron's Bessemer Garage for much of his life. As you can guess, they became family. In his free time, Danny loved fishing, camping, and hunting with the Garduños and when his grandsons came along, he was excited to take them fishing and show them the ropes. He loved watching the boys play soccer and football but mostly he loved being a goofball with them. Danny loved to travel to Seattle to visit his little sister Angie, brother Chris and his beautiful niece Mariah. It was always, "Margarita time!" His goal was to move to Washington with his son in 2023, but the man above had other plans. He loved spending time with his stepdad Bengt Fries, which whom he admired and loved immensely. The two

troublemakers would hang out at the property in Walsenburg, work on things around the house or just hang out and drink maybe one, two, three, or four beers or take "Their" beloved Buddy for a drive. Although this is a hard loss for all of us, Danny would want us to remember his giving and loving soul and corny jokes. He was there for all of us and at this time of our sorrow, he would want us to laugh and celebrate his life and take care of one another. We would like for you to all remember how great a man Danny was as a son, brother, husband, father, grandfather, and father-in-law. Love and respect as he did and more importantly care for others. Funeral Service, 10:00 am, Friday, December 31, 2021, Romero Family Funeral Home. “ We got to know Danny through our neighbor Ben. Over the years we got to know Danny when he would visit his mom Viola & Ben and then continued spending time with Ben. When Danny saw us he would always greet us with a "Hi neighbor". Always concerned about how we are doing. We shared dog stories, Buddy was always a big part of Danny & Bens lives, the three of them off to Walsenberg.

We will sorely miss Danny when he would stop at Ben's house.

Rest in peace Danny.

Danny was a friend of my dads. I believe they met through T & T Electric. My dad always referred to him as his "Vato Brother" he was an amazing person and a heck of a mechanic. May he rest in peace. I hope him and my dad are having an amazing reunion in heaven!!!
