“ Danny was one of my very best friends. I enjoyed living in the same facility with him (Oakshire Commons {Trinity Life Gardens}) and helping him to navigate thru the halls here as well as when we needed to go somewhere for business or pleasure. Since Danny was blind, I would read Bible study lessons to him and write his answers to the quizzes at the end of each lesson to be sent back to the organization to be scored. I would also write Danny 's answers to the essay questions on the quizzes. His answer would be that he loved Jesus Christ and wanted to be more like Jesus in his dealings with others. I know that Dan will be with Jesus Christ and I look forward to talking with him in heaven.

I miss you, Danny, as well as all your friends here at Trinity, Life Gardens. (Oakshire Commons).
