“ Danielle, you will be missed by all that loved you. I am so very sorry that I didn't really see or spend time with you. My heart and prayers have always been with you. You are such a beautiful girl and you had so much to struggle through. So grateful that you had your grandma Carmela to love and care for you. I still have all the memories of when you were a pre teen and young teen that would be full of mischief and vinegar. You were a little "spitfire" with a lot to say at times. At times you were difficult but could be the sweetest girl. I know how much love you have always had for animals and they knew it and gave you a lot of love in return. I know that you are certainly in Heaven with the Lord and that your momma, grandma and other relatives were waiting for you at the gate to greet you and wrap their arms around you. I love you Danielle..... (Nellie), auntie Gayle
