“ I have very fond memories of DJ as he was growing up. You will forever be missed and loved! We are all still heart broken that you have left is so young, I know you are with you Grandma Pauline, your Mom Stacie and sister Danielle. I know you have made your Dad Danny so proud of the man you have become! . It don't make it easy for any of us that you left behind, but I know you are in the Glory of God! I will always remember the first time you danced in front of everyone at a family Christmas we were all cheering you on you were about 8 or 9. It was the cutest thing and you made us all smile 😊 you are forever loved ❤️
