“ *I send my deepest sympathy to the Pagels family. I'm praying for Mrs. Pagels and his children especially hard during this tragic time. We don't know why God chooses to take his angels when He does but heaven is our true home. We will all miss him very much but he's in everyone's heart he touched while his short time on earth. Rest in peace my friend! God be with your loved ones!*

“ *I am so very heartbroken to hear of your passing. I remember the first time I met you, and your brothers. Your parents brought you all to my Kung Fu class. You were so little and sweet. Yet, you had that look in your eyes of determination. I was so proud of you when you decided to be a Surgical Technologist. I know you loved what you did. Your children were always a priority, and you being a great Father was such an inspirational site. You will be greatly missed. Rip my dear friend*
