“ My sincere condolences to Darryl's family. I was reflecting back on all the memories with Darryl and there were many... remembering we all had fun family gatherings to barbecues in Denver to toga parties to beans splattered all over the kitchen ceiling , actually all over the kitchen but mainly the ceiling. Those were the good times... back in the day. I'm not able to attend Darryl's service today, I just had surgery. So just know that my thoughts and prayers will be with you all!
