“ Sincere condolences to the family of this kind and generous man, Pastor Arellano. We knew him as a neighbor when he visited the school in the basement of the church, or his rental next door; and of course, on Sunday as we walked to the park he would be finishing up his service and he and my husband Fred always shared a little story or joke. We were very sad to hear about his passing and hope that his benevolence to the church and school will continue in his name.

Sincerely,
Fred & Dolores Maes
