“ I want to express my sincere thoughts about Dave. He was truly my brother and friend. We spent many times fishing and good times together. Dave really taught me how to be a good fisherman. He would always joke with me about our disco days. He loved to have a good time. Dave will really be missed by Gina and me. Gina will always remember Dave for always kidding around with her and dancing with her. We both shared many fond memories together.
Love you Dave

Larry and Gina
