“ Dear Carrillo family, for as long as I can remember my parents talked about Richard and Della Carrillo as their dearest and most beloved family and friends. I remember your family as a loving, friendly, and always welcoming group. I am so sorry for your loss and hope my mother can somehow let you know how she wants to share in your grief and remembrance of Della but she is hospitalized at Parkview Hospital with a serious injury. My most sincere condolences to you all and please know how much you all meant to us through the years. Lovingly, Juanita Cisneros
