“ *My heart is deeply saddened at the passing of Robert. Robert and Betty were the first relatives of the Cordova family I met 47 years ago. They were warm and hospitable from that first visit and that warmth, love, and caring never changed over the years. Robert will be dearly missed but I know his spirit will live on. Betty and family, my prayers and thoughts are with you at this time. May the Holy Spirit comfort you. Love to you all.*

“ *Uncle Robert & Aunt Betty welcomed us into the family nearly 30 years ago and have loved us their own ever since. Our fondest memories of Uncle Robert include his gift of storytelling of the Santistevan family history. He was a wonderful man whose love for us was immediate, genuine and lasting. His memory is truly our blessing.*

*May the road rise up to meet you. May the wind be always at your back. May the sun shine warm upon your face; the rains fall soft upon your fields and until we meet again, may God hold you in the palm of His hand.*

I have known Robert since I was in High School back in the 1950 ,s. He was such a nice person. He asked me on time, how come yoy married a Puerto Rico and not someone from Pueblo. Robert and Betty were meant to be together. He will be missed and was a pleasure knowing him. God bless everyone.
