“ I also was 1982 graduate, but I went to Central! But because I hung out more with the SOUTH crowd , I would run into Denny a lot at parties and clubs and was always so much fun to hang out with, and I especially remember when he worked at the Lake Drive In , he would ALWAYS let us in free! He didn't care that I was a Wildcat and he was a COLT , he just loved making friends! RIP MY FRIEND

“ With all my love and deepest sympathy, I want to say how truly sorry I am for your loss. Denny was someone who touched so many lives with his kindness, humor, and generous heart. He had a way of making people feel seen and cared for—something I will never forget.

I will always remember the moments we shared, the way he laughed, and how much he loved his family. Please know that my heart is with you in this time of sorrow. May you find comfort in the beautiful memories he left behind and in the love that surrounds you now.

“ Grew up just a few houses apart during childhood. Denny was always a genuine, caring guy. He looked over us younger kids when we had neighborhood time together. He was a good role model for us all. Prayers and special thoughts to his family and siblings. Miss you David! Bless you all.

“ *The best thing about cousins is having instant playmates and friendships cemented with love, humor and a common blood. We all somehow resembled one another at different times, and we were close enough in age to have much in common. Denny had a wicked sense of humor and a playfulness that complemented his seriousness and impressive skill set. He was especially caring and supportive of his Aunt Beth, my mom, who loved him dearly. I will remember the sandy haired cousin who was an excellent artist. He was strong and funny and loyal. He loved his family and sought to make things better and to offer solutions. Denny, find peace and know you are loved.*
