

Desirae Miracle Duran

December 25, 1990 - February 10, 2026

Desirae Miracle Duran, age 35, of Pueblo, Colorado, passed away on February 10, 2026. She was preceded in death by her grandparents, Patricia Ann Crosta and Dolores Reza; her great-grandparents, Maria and Guirino Crosta; and her beloved niece, Juliana Duran. Desirae leaves behind the greatest joys of her life — her children, Ellias Frazier-Duran, Raiden Hensley, and Amilla O’Grady. She is lovingly remembered by her fiancé, Matthew O’Grady; her parents, Miguel and Gina Duran; her siblings Michael, Alisha, Daniel, and Mikaela; and her many cherished nieces and nephews — Kaylynn, Ally, Jarek, Braylon, Dalton, Emiliana, Giovani, Kiki, Ellah, Nyla, and Aurora. She also leaves her grandparents, Robert and Lori Crosta, along with numerous aunts, uncles, cousins, extended family members, and dear friends who loved her deeply. Desirae Miracle Duran was born on December 25, 1990- a Christmas Day baby and truly a miracle from the very beginning. She was prayed for long before she arrived, and at birth she almost didn't make it. Because of that, her parents gave her the middle name Miracle, knowing she was a gift from God placed lovingly into their arms. She was the second child and the first daughter in a family of five children, and from the start she captured her father's heart. Desirae was unmistakably a daddy's girl, deeply cherished and lovingly called her parents' "little burrito." She was raised in a Christian home, attended many youth group functions and events. Desirae played soccer and joined R.O.T.C. As she grew, her creativity blossomed. She loved singing as a child and carried an artistic Spirit throughout her life.

Makeup and art became her favorite forms of expression. She had a natural eye for beauty, design and dreamed of becoming a graphic artist and creating her own clothing line one day. Although Desi faced many challenges in her life, she was a fighter and somehow through the tough times she managed to share her faith, love and kindness to all those around her. She made many friends no matter where she was. She just had a way about her that drew people in. She was very passionate about life. She had a deep love for others that made them feel seen and heard. Although Desirae's life ended sooner than any of us expected, her laughter, her energy, her carefree spirit will live on in our hearts and will remain a gift her family and friends will carry forever.

“ When she was little baby she had the funniest thing she did with her pacifier. When you put it upside down, she twirl it with with her tongue like lightening speed and pop it rightside up in seconds and suck away and just grin from cheek to cheek like she just did the greatest trick ever!! lol

She also was a nut for water! Every morning, she'd wake up and go into the kitchen where the dog bowl was, Sheena bear (Auntie Cindy and Uncle Henry's Rottweiler) we'd hear metal hit the tile and then splashing like crazy and go running and sure enough she'd be squatting and just going nuts in huge puddle of water all over the kitchen floor. It was like clock work. You'd think after her doing this every morning one of us would have thought, hey, let's move the bowl up on the counter and keep her from it, lol!

She also had crazy love for butter, her and her cousin Twila ate butter. We'd find them under the kitchen table with blocks of butter just eating away as if they were chocolate bars!! ewe! lol!

I remember seeing all these wet marks allow over the sidewalk and Desi was bent over with her mouth on the ground and we were like ugh what are you doing lil girlie, she looks up and says " I'm giving kisses to rowie powies lol There were lil rollie pollies crawling around and she thought it was cool to be giving them all kisses! lol!

Desi spent a lot of time dreaming of making her own line of fashion clothing. We'd talk a lot about what she wanted to create. She truly had big dreams to build a unique line. And how she love makeup and hair. She would spend hours doing Kaylynn, Ally's and Lela's makeup just having so much fun when they were little. She was so beautiful as you can see in so many of her pictures how creative she was in every detail how she did her own hair and makeup. Absolutely gorgeous. Not only only on the outside but truly inside.

I have received so many messages from many of her friends that have shared their hearts and messages of how she poured her

faith, her love and heart to them throughout her life. It has been so inspiring to me and has just touched my heart to know that she lived out her faith even when she was suffering and going through so much heartache and pain. Im truly thankful and blessed. Thank you and I know she is truly saved and in heaven and no longer hurting and in the presence of our Lord and Savior.
