“ Last Wednesday, I said Good bye to my Best Friend for 51 years, Dolores Vialpando . When I married into the Mascarenas family, she welcomed me with open arms and was more than a sister-in-law, We became Good Friends. She and I shared so many wonderful times together. We enjoyed reading the same books and could go shopping for hours. MORE, importantly to Tony & I it was her tremendous love for our children. Anthony, Barbara and Chris. They too have many, many wonderful memories of Auntie DO! Rest in Peace Auntie DO, We will miss so, so very much!

“ .I Just wanted to add a few words about my favorite Aunt Do. When I first heard of our loss, all the memories of good times with her came to me. As a kid I spent a lot of time with her. She was my acting grandmother at school. I recall taking rides around town in her giant white car and going to our favorite spots in La Junta: Woolworth's, Reid's Drive-in, A&W and Gibson's. She would remind of me the time when I was four and her car ran out of gas and I was too embarrassed to get out and walk. Or the time I insisted that she comb my hair like Frankenstein. I remember her getting ready to go out and she would be taking out her rollers and doing her hair. As she stood in front the lamp on her dresser the light would shine through her fire red hair. I would be sitting on her bed and tell her "Do, you look like the sun!" Now I know that statement meant so much. She was always such a shining, happy person in my life. The laughter started immediately when we would talk. I'm going to miss her, but now she is at peace and reunited with those who have gone before her and smiling down on all of us. Love you Do! I'm not sure where to start Dolores was a huge part of my life growing up and also my daughter Stephanies . I want to say thank you for showing me what a mother should be. While she loved her family her life was about her kids. NO matter what life throw at her Darlene and Joe and their kids always came first in her life she loved them beyond measure. Your body maybe gone but a part of you will live in in your children and grandchildren. Thank you for showing me what a mother should be.

Dolores gave a whole new meaning to the word(s) friend, sister, mother, daughter, auntie, and wife. She was well liked/loved by all, and never said an unkind word toward anyone. She will always be missed by myself and my family. Rest in Peace dear friend.
