“ I met Don in about 1956 when I was 6 and he was 5. We lived in the same neighborhood, but went to different schools. We were inseparable after school, weekends and most everyday in the summer. A few years later we met our friend John and became what my dad referred to as the Three Stooges.

We did so many things together, that has given me so many great memories. It makes me sad that he is gone, even though we lost track of each other for a some years we began writing each other on face book recently.

My condolences to his entire family and I am remembering Don in my prayers.

He was a heck of a guy !!

“ I lived on the next block on Chippewa in grade school and Don was one of the kids I hung out with in the neighborhood. We went to Monroe Grade School together. I graduated a couple of years before Don. I am sorry that Don passed away with the best for Don's family. Rest In Peace Don. It is great to know you.
