“ Out of all the memories I have with my grandpa, my favorite was when he and my dad took my little sister and I to the shooting range he frequented. He let us fire the .223 rifle he had with the scope. We missed quite a bit but we also made a few shots on the target. It was the first time I had fired a gun and it was a fun experience. I love my grandpa and I'm going to miss him so much.
