“ My condolences to the family of Doris Huston. I'll always remember Doris and her beautiful smile! I would run into her at garage sales with her grandson. She always asked about my mom and I love her for that! I will remember her fondly. Rest in peace.

“ I've known Doris since I was a small child. She was a long time friend of my mother Marie. As a child I remember both of them making delicious tortillas and Doris fixing my hair in a bun. Doris later married my father Ron and the two had many happy years together. I always enjoyed her delicious Mexican food and especially those yummy tortillas. My heart goes out to Renee and Joseph and the rest of the family. I will keep all of you in my prayers and will have a Mass for Doris here in California. Love, Geri
