“ To Doris family and friends  
Condolences to all.  
Loss of our loved ones is a difficult time.  
I pray that God will help with your ache in your heart and bring comfort .  
Gosh can not believe how we lose time  
With those we called our friend in high school.. Had Doris on my mind recently..  
Regret not having contact with a soul who looked like she did well with growing to a mature woman in life .You we're all blessed.  
My heart goes out to you in my prayers.
