“ I just found out about Primo Eddie's, two days after his memorial service. We were double cousins. His mom was my first cousin. Cousin Cora Olivas Martinez was my Dad's niece, daughter of his brother Jose. Primo Eddie's father, Tio Jose Adel Cordova, was my mother's uncle, her father's brother. He called my mom, "Aunt Cuz" and they loved each other very much. She passed away a month before he did, on September 4. I'm happy that those two cousins are together. My sympathy and prayers go out to his children and grandchildren and his brothers and sisters and their families. I have worked extensively the family tree and make that available to you. Love always, cousin Richard Olivas, San Luis, Colorado

“ This is his niece Debbie. My mother is his sister, Kathy. I remember a time when Uncle Eddie visited North Platte, NE with my Grandma Cora. I was a little girl at the time and I was helping my mother serve pie to our guests. Uncle Eddie was proud of me for helping my mom and he gave me a tip. It was a dime. During that same visit, my grandma had given me a little purse that she brought back from Mexico. I remember wrapping that dime in a tissue and putting it in the purse with a note of how I earned it. I still have both items. I remember how kind and gentle Uncle Eddie was. I will miss him.
