“ My name is John Zabawski, I remember as a child visiting my uncle Ed (senior)and aunt Mary and their two children Eddie and Nancy during the holidays. You have my deepest sympathies and I did not know my aunt Mary had passed away as well and I could not find any information about her online. Also, if it's possible to find out how my cousin Nancy is doing that would be great as well. Again much love and prayers.

My sincere condolences Dana, Like my cousins, we did not know my Aunt Mary had passed and so very sad to hear about my cousin Eddie passing. We had great memories growing up, many summers spent with them.
