“What a special friend he was. I loved our meals together. There were so many good times, so much laughter. He was always willing to help, to run an errand, and always answered your call. So much love and healing prayers for your family.

“ One of the most amazing people to ever walk this earth, I will miss our chats we would have each time I would see you! You will be forever loved and missed for an eternity. Still can't process because you weren't supposed to go so young, but God had so many other plans for you! Rest in peace and we will all see you again one day!
