She loved being with her grandchildren and great grandchildren and was always there if they ever needed her. Whether it was to just listen or help in anyway, they could always count on her. She loved her dog, Mana and always had her by her side. Anyone that knew her will remember that she enjoyed having a Pepsi in one hand and a cigarette in the other. She will be cherished in our hearts and in our memories, Special thanks to Compassus Hospice and all the Nurses and CNA's for the care that they gave her until the end.

“ Although i cant say that i have a memory fonder than any other with you, i will say that i was so blessed to call you my big sis. From the age of 8 or so when you and my brother got together, you became my big sis, and i became the richest kid on the block, cause i had sisters named Elane (Elaine). I can't believe you are gone , I'm going to miss you dearly, you are no longer in pain and in a better place. RIP sis, fly high with my brother and our parents and loved ones. I love you....❤️😭

47 years ago, you opened your heart and your home to me, even though I was a punk kid. You never made me feel that way, though. I am forever grateful for your support and guidance,; you truly were a one in a million blessing. You raised two men who do you proud who will miss you very much, but at least you are reunited with Ernie, the love of your life. I am sure you both are rejoicing in that reunion today. As we all mourn the loss of an awesome spirit on earth, heaven is celebrating the return of one of their angels. Rest in paradise, dear friend, as you enjoy the eternal happiness promised by the one who keeps all promises.
