“ My dear sister In law Lorraine, his precious kids and wonderful grandkids and great grandkids, when I was told of Elias's death my heart shattered, I truly will miss him more then words can say. I do take comfort that he no longer will be suffering in sickness and that he will have the wonderful hope of the resurrection promised to all by our Heavenly Father Jehovah , where Elias will live in peaceful conditions and no more sickness and death here on a restored paradise earth. We will get to see mom, dad, Sam, Jim, Walter and all our loved ones the have fallen asleep in death. So until we see him again in, I look forward to hugging him and talking with him again. So my dear sis Lorraine we need to keep in touch and remain close cause I know this is what Elias would have wanted and I want that very much as well! If you ever need to talk and share memories of our wonderful Elias please call I'm here for you. Love you all so much Melissa (Millie).
