“ Dearest Auntie Ella was one of my fav Tias. She was so special to all of us! I have such sweet childhood memories with her, uncle Nar and our cousins. Our families were always close growing up so we spent much time together. My momma adored her last living sister and will too miss her dearly! In the last few years we all enjoyed celebrating Birthdays together and getting together for our lunch dates! She was a strong, independent woman who showed us all much love and care! God bless her family in this most difficult time in losing your momma, but yes rejoicing that she is with the Lord now where there is no more sickness or sorrow! RIP sweet angel, you will be so missed! ❤️
