“ Uncle Eloy! U will greatly be missed. I never knew my maternal grandfather Manuel "Joe", your brother, he passed when my mom was a little girl, so I never had the honor to meet or know him. But one thing I can always cherish was getting to know my great Uncles, his brothers. It's sad that life happens and people grow old and distance keeps them apart. I will always embrace the memories of talks we had and the visits we shared. Uncle Eloy I looked forward to seeing u this year. Now I will have to catch you when I see you in Heaven. Please Uncle Eloy hug my grandma Sophie for me tell her I miss her and love her. Also to all those who have left us too soon. And please watch over us all. Our warm thoughts and sincerest condolences and never ending prayers to all the family in Colorado, from Shana Montez (Vincent Moreno), & all ur loving family in California. God bless you!
