“ *Ernest when you were born - you were so hairy! We started to call you Harry instead of Ernest lol. But you were the cutest little guy and so lovable. As you grew - you were so curious about everything. Your Mom Valerie always dressed you in the latest fashion and of course you thought were the greatest - which you were in my eyes! i will always think of you as this person. I love you so much and you will always be in my heart. I pray for you always and know you're in heaven with your great Gramma Angie, Uncle Joe and Auntie Shirley and of course with your brother Elyjah and this is just my side of the family. I know your Grandpa Ronnie is there with you too. I have alot of pictures of you that I will cherish forever. Love and Miss You Lots, Your auntie Patsy*
