“ *Ernie was the salt-of-the-earth. She always knew when I needed a tamale and her green chili was the best. I think she fed almost everyone in Pueblo at one time or another! Her love for her family, friends and her animals was obvious to anyone who knew her. She made the world a better place. She will be missed.*

We're so sorry for the loss of your mom. Ernie and Paul were great neighbors when they lived by us! Lots of great memories! Especially when we got fresh tortillas! Doug and Roxann McCurry

“ *Dear Lopez and Muniz families. Our deepest condolences regarding the loss of your wonderful mother. One of my fondest memories is enjoying delicious red enchiladas at you moms house, where there was always fun and laughter. The other is remembering hearing our mothers' laughter when they were together. She was a wonderful friend, like a sister to our mother. We pray for God's peace and grace over your families during this time. The family of Stella Armijo McGaha*
