“ *I am so sorry to hear about your loss. Ernie held a very special place in my heart, first meet him at the tumbleweed while I was working there. He would come in and I would make sure to clean his glasses everyday I seen him. :0) I would always call him "Baca", and his response was that's "MR. Baca to you". Loved this man, he will be missed!*

“ *I am so sorry for your family's loss. Mr. Ernie was a great neighbor and friend and will surely be missed. I have many fond memories of him out working on the sprinkler system, and cutting grass while Josiah rode on the lawn mower with him. The smile on his face when I took him coconut cake for Thanksgiving and Christmas will be forever ingrained in my wonderful memories of him. May God bless your family as you lay your father, brother, and grandfather to rest.*
