“ *I went to Resada to start rehab and that's where I met Estevan , Funniest Big Guy I've ever met . Made a Down and Dark situation Brighter . Always could make me laugh and yet had A serious side full of knowledge and empathy towards anyone fighting their addiction. I cannot believe God takes these Beautiful Angels of Heaven away from us before the entire world has A chance to be enlightened by Estevans humor and huge heart . Very Shocking and just upset right now , God bless his family.*
