“ Dear Family  
Eugenia was a wonderful nurse. She had a heart for the seniors especially at the State hospital and the nursing home. We were close friends and enjoyed vacationing together. So sorry to hear of her passing. Think of all the happy times.

“ I had the pleasure of working with Eugenia on Geriatrics at CMHIP, she was a hardworking, dedicated to her job and family, kind and caring person who never had a mean thing to say about anyone! She provided excellent care to the patients, they were fortunate to have known her, as were we, her coworkers! May the Lord give your family the strength and courage to face the days ahead. God bless you all, Betty Garcia
