I know I am commenting on this website 3 years later but he was a really good friend of mine and I was heartbroken that he passed I found out that he passed a week after because one of his friends told me, but I and Ezekiel were close. Also, I'm sorry for your guy's loss I know it is hard to lose a family member, and I'll never forget that the fact we and I were very close and he was also very sweet to me and his friends.
