Rest in Peace cousin Florence. I really enjoyed seeing you when I would go to Pueblo when my mom would visit from California. I loved hearing stories of your youth. You were always so sweet and kind. You will be missed.

I remember Florence, she was my mother Senaida Espinoza's cousin. Her mother Delphina was mom's aunt and my grandmother Secundina was Delphina's sister. I remember they all gathered together in weddings and they chatted and laughed together. They all looked so beautiful all dressed up, dancing with their husbands and having a great time. So many are the memories of family and loved ones. How I miss those times.
