“ *My Auntie Florentina will always hold a special place in my heart. I'll always remember her for her great hugs and she was always smiling. She was always such a warm, caring person and had a heart of gold.*

I remember going to visit her and sitting on her lap and she was always ready to give kisses and big hugs. There wasn't a time that she wasn't smiling and always wanting to feed me. I don't know if it's because I was skinny or because that's the way she was with everyone. HAHAHA.

My auntie is so special and I will miss her dearly.

The family will be in my prayers through this difficult time.
