“ *One thing that stands out above all else for me about my uncle Tony is his unwavering love he carried for all his family. I especially loved when we would visit my uncle Tony and my auntie Francis he would play his guitar and sing from the depths of his soul. Making every moment during every visit memorable and completely heartfelt. .*

I love you uncle Tony R.I.P

“ Thank you Tony for being a very good friend since we were teenagers. We had lots of fun growing up together; tearing up and repairing them. You always had a joke to tell. Love you my friend. May God be with your family. Good bye until we meet again. Your friend John Guerra

“GOD BE WITH YOU, TONY.” I would like to thank you for those special memories you have left behind - times together with you and with that special lady in your life who also shared in our fun, guitar-playing and singling times together. I also always admired, those special skills you had as an Auto Repairing specialist; you were good. So Rest in Peace, my Friend; and God Be With You!
