

Frank Richard Vigil

September 22, 1963 - April 3, 2026

Frank Richard Vigil 62, passed away peacefully on April 3, 2026. He is preceded in death by his parents Frank and Mary Alice Vigil, siblings Kathy Roybal, Steve Esquibel and Debbie Romero.

He is survived by his children Felicia (Randy Esquibel) Vigil, Jacqueline (Fidel Infante) Clevinger, grandson Desmond (Sara) Clevinger, and numerous family members, extended family and friends.

Frank was affectionally know by many names such as Dad, Frank, Franko, brother, bro and the most affectionate one BamBam. He grew up in the Blocks, and attended Central High school. He would always say Go Wildcats. During those years he meet some great friends whom he kept in contact with and who cared about him till this day.

He made a great decision to add 2 daughters to his life when he married. He said his children Felicia and Jacqueline, were the best things that ever happened to him.

Frank worked in several different industries including manufacturing, retail and most recently landscaping. He loved landscaping, said it got him out in the fresh air under the sun and moving.

He was an avid Bronco fan and depending on the year a Raider fan. He greatly enjoyed teasing his daughters when the Broncos beat the Cowboys or the Eagles. He enjoyed watching the Rockies and the Nuggets but football was his favorite, and don't forget about his love for sports cars especially Camaros and his motorcycle, having owned both in his lifetime.

Frank made friends where ever he went. He had a big smile, a big heart, a great laugh and was always joking around. He cared deeply for his family and friends even if he didn't get to see them or talk to them as much as he would have liked, but they were always close to his heart. You could always expect a text or phone call on your birthday or holidays, maybe a few days late but you got it. He was always willing to lend a helping hand whenever he could.

Chocolate was always a welcome form of payment as he loved sweets and carried candy with me to satisfy his sweet tooth.

Frank chose a rough road in life and wasn't a stranger to trouble. But he always bounced back and recently made a change for the better. He had a group of wonderful friends and family who helped him through some difficult times. We thank you for that. God must have seen this change and decided it was his time to rest and called him home.

The family would like to Thank everyone for your support, love and prayers. In lieu of flowers we ask that you donate to a local shelter or food bank in his name.
