“ When I was young, I use to suck on my lips. Therefore leaving a “hickey” on my bottom and my top lip. My grandpa then started calling me chicken lips. I was probably about 6-8. I’m 32 now. The name “chicken lips” never went away. Also, I remember my cousin (Anthony) and I were arguing over a stretch Armstrong. My grandpa says “who had it SECOND?” I said me... he said okay. She gets it then. He was a sucker for his daughters and granddaughters :-)
