Geoffrey was born in Waterloo, Iowa, but has been a member of the Pueblo community since childhood. He was a graduate of South High School and a proud Veteran of the United States Army serving during the Vietnam War. He loved spending time outdoors in Southern Colorado and fishing the local watering holes; always after “that big one”. He loved old-time, country western music, working hard in his yard, sun-bathing while reading, and eating anything and everything sweet. Geoffrey has been described by many as a very gentle, kind-hearted man. He was a very dedicated and loving husband and father. He will be forever loved and deeply missed by all those he leaves behind.

The family would like to extend their sincere appreciation to those who helped during these final months; Janet DeLao, Vera Gallegos, and other members of the local Veteran's Association.

“ Geoff hired me as a loan officer for Mt Carmel C.U. in 1984. I had recently lost my job as the branch manager for CIT Financial Services due to the company closing hundreds of offices nationwide. My job search, up to the interview with Geoff, ended with me being told I was “over qualified” for mid management jobs due to the many years I had spent as a branch manager. Geoff’s take on that thinking was, “that if I did keep looking for a job in hopes of finding one with better pay, that he would have at least made use of my experience while I stayed”. He hired me on the day I interviewed, and I stayed with Mt Carmel C.U. working my way up to branch manager. He had a good sense of what was right and what was wrong. He was a fair boss. He was the best “boss” that I have ever had. He was a great friend .

“ *Dear Sandi,
You will be in my prayers and thoughts. I am truly sorry for your sadness and suffering, but understand Geoff is in Gods arms today. I enjoyed knowing him and working with him. The talks you and I shared the last few years have been memorable, it was easy to talk to you when I was working and seen the two of you. Then I left and only saw the 2 of you out and about once in a while. My special prayers go out for you now at your time of need.

“ *Sandi,
I'm so sorry to hear about Geoffrey. My prayers and thoughts are with you and Megan through this difficult time. You and I had many happy memories working together. I enjoyed catching up with changes when I would see you and Jeff in Walmart, of all places. He would patiently wait while we talked.
I've moved to Monument so I don't know when I'll see you again.
Take Care,

“ *Geoff became my brother in law at age 12. From his youth and throughout his life, he bore a pleasant demeanor - smiling easily, willing to assist, friendly and kind to people, compassionate toward animals. The happy youth grew into the kind of man that people admire and respect. Geoff's devotion to his family and the positive attitude he retained through illness reflect the depth of his personal qualities. Geoff was a good man of noble character. Patricia Joy Richmond*

“ *Sandi & Megan. It's hard to think that your husband/dad Geoff is gone. He was always willing to go with us to Starbucks or to eat. I will miss him. He was always with us. His final months were tough on him & especially on Sandi. She was so dedicated in taking care of him. Geoff loved eating sweets. Our little group catered to him. You will be missed. RIP Geoff.
