I'll be keeping you in my thoughts and prayers.” I always remember how she loved her Broncos, the movie McFarland and she never meet a cheetah print she didn't love! Her smile was contagious, she loved her grand children and her family deeply!!! See will be missed by and remembered by many!

“ Georgia and I went to school together since the 7th. Grade, our friendship continued...as our family grew, we grew apart...I remember her as very warm and generous...I didn't see her often, but when we see each other, we would Laugh and remember the good times we had as teenagers...She was a very special person..Georgia and I also shared the same values that our parents taught us... Our parents were very strict, but fair..I wish I had been fortunate enough to have known her children, I'm sure they share the same wonderful qualities she had..May God bless you all. You had anAWSOME mom.. My prayers are with you..

“ Though I only met your mother a few times at the nurses dinners with my mother-Lupe Jaquez , I immediately sensed her kind heart and friendly nature- her warm and easy smile made me feel welcome, as if I had known her for a lifetime. I enjoyed our conversations about her children and her life long love of the Broncos. She is a special person and I am happy to have met her. My mother thought the world of Georgia-she will be missed. Our thoughts and prayers are with your family.
